WADO-RYU KAI

Full Members of the British Karate Association & English Karate Federation Club Rules

It is the intention of the instructors of Western Karate to teach and promote the art of Karate Do in the traditional manner. This system is Wado-Ryu.

No students will be permitted to take part in any training activities until they are registered. This is for insurance reasons.

Please understand that practicing a Martial Art involves the risk of injury, all precautions are taken to minimise this risk.

The progress, attendance and behaviour of all students are monitored. A register of attendance is kept at each training session.

If the behaviour of any student becomes such, that it interferes with the running of the class, the student concerned will be asked to sit out. If the student is under 16 yrs of age, the situation will then be discussed with the parents/guardians. If the problem persists, the student will be asked to leave.

If at any time during the periods of training, it is felt, that a student is having difficulties in learning this art, at a cost to the parents/guardians or the student, this also will be discussed with the parents/guardians or the student concerned.

Western Karate Club Sensei V H Keens and Western Karate Bideford Group Sensei T A Goldsmith-Ryan, reserves the right to refuse any student from training with the group if they feel that it would not be in the students best interest to do so, taking into consideration Medical or Physical conditions.

ILLNESS AND ACCIDENTS

If you become ill, please let me know, as I do like to know why you have not been attending.

If you have a serious accident, and will not be training for some time, again, let me know.

On your return to training you will need to take a *Return to Training Fitness Form* to your doctor for their authorising signature, for you to continue.

All students are expected to arrive at training at least 15 minutes before the class starts, this gives time for changing into Gi's.

Students must be clean and presentable with fingernails kept as short as possible.

All body pierced jewellery, rings etc, must be removed before training for your own safety and others.
